

GOVERNMENT OF THE DISTRICT OF COLUMBIA  
STATE HISTORIC PRESERVATION OFFICE

DC STATE HISTORIC PRESERVATION OFFICE  
FEDERAL AGENCY SECTION 106 REVIEW FORM

**TO:** Robert Lyon, Technical Director, Waldon Studio Architects for the United State Department of Agriculture (USDA)

**PROJECT NAME/DESCRIPTION:** Proposed construction of a backup power generator at the Whitten Building, 1200 Jefferson Drive, SW, west of existing generator facility

**PROJECT ADDRESS/LOCATION DESCRIPTION** Whitten Building, 1200 Jefferson Drive, SW, Parcel 03160006

**DC SHPO PROJECT NUMBER: 15-035**

The DC State Historic Preservation Office (DC SHPO) has reviewed the above-referenced federal undertaking(s) in accordance with Section 106 of the National Historic Preservation Act and has determined that:

<input type="checkbox"/>	This project will have <b>no effect</b> on historic properties. No further DC SHPO review or comment will be necessary.
<input type="checkbox"/>	There are <b>no historic properties</b> that will be affected by this project. No further DC SHPO review or comment will be necessary.
<input checked="" type="checkbox"/>	This project will have <b>no adverse effect</b> on historic properties. No further DC SHPO review or comment will be necessary.
<input type="checkbox"/>	This project will have <b>no adverse effect</b> on historic properties <b>conditioned</b> upon fulfillment of the measures stipulated below.
<input type="checkbox"/>	<b>Other Comments / Additional Comments</b> (see below):

The proposed undertaking was reviewed for both the built environment and archaeology, and the SHPO has made a finding of **No Adverse Effect** on historic properties. The location of the proposed backup generator had a very tall smokestack (one of two and the smaller of the two) present into the 1930s that would have required substantial footings and therefore we have determined the proposed undertaking will not adversely affect potential archaeological resources. However, should any unanticipated archaeological discoveries be observed during this project, please contact Dr. Troccoli at 202-442-8836 or [ruth.troccoli@dc.gov](mailto:ruth.troccoli@dc.gov).
